ADDENDUM TO JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 4 May 1976

✓ (Internal Use Only - GLC) ADMINISTRATIVE Called Mike Duval, White House staff, and advised him of our letter to Senator Frank Church (D., Idaho) regarding the destruction of documents. I said we wanted to be sure that there was no problem from the Administration's point of view regarding a date of destruction. Duval said he didn't think anyone in the White House has focused on it. He suggested we touch base with the other agencies: Department of Justice, Department of Defense and Department of State, and if there is no opposition, send a note to Jack Marsh, Counsellor to the President, so he is aware of it.

On the subject of oversight legislation, I told Duval that we feel the Cannon proposal to S. Res. 400 is the best of the alternatives to date even though it does not provide for exclusive jurisdiction. I said Senator John Stennis (D., Miss.) wants to retain jurisdiction, but I didn't think there was much chance of this happening. I said I had suggested to the Director that he bring this up at the CFI meeting today to see if everyone is on the same wave length. Duval said he would do a note for Jack Marsh and see if they can set up an ICG meeting on it.
